

**Auvergne  
Rhône-Alpes**  
Énergie Environnement

The **Auvergne-Rhône-Alpes Energy Environment Agency**, offers in its Lyon (FR) office:

## 6-month internship in European Affairs

- **Internship duration:** 6 months
- **Start date:** February/March 2018
- **Paid internship**

**We offer:** a work experience coupled with responsibility and networking opportunities within a well-established regional energy and environment agency (40 years), with a long standing experience in the development, coordination and implementation of European projects.

### MAIN MISSIONS:

1. Assist in developing **European project proposals**: research of European project partners, benchmark of existing projects, drafting of project proposals
2. Coordinate the **quarterly EU e-newsletter** for members
3. Support the **communication missions** related to AURA-EE **European and International projects**: website update, social media, event organisation.

### REQUIRED PROFILE:

- Student in European Affairs and/or Sustainable Development
- Excellent spoken & written English (**C1**), French spoken & written (**B1**)
- Strong interest in communications and good knowledge of **MS Office tools**
- Autonomous, creative, proactive.

### Interested?

Please send a CV and a motivation letter in English no later than the **3<sup>rd</sup> of January 2018**

to: Mr Patrick Biard, [patrick.biard@auvergnerhonealpes-ee.fr](mailto:patrick.biard@auvergnerhonealpes-ee.fr)
